Dr. Mamta Srivastava

Dr Mamta Srivastava is presently working as the principal at Mata Gujri College of Professional studies Indore. She is M.Sc and Ph.D in Life science. She has also been part of ICAR funded project of Soyabean. She has many international and national publications and book citing. She has been constantly working for the up liftment of women. According to her "she believes that a positive change can only be brought by spread of education to girls and by giving them equal opportunity". She has been earlier recognized by BWWA (BSF wives welfare association) for her contribution given towards betterment of the force personnel. Her contribution towards academics have been recognized by various organization. Dr Srivastava has been devoted to the task of spreading awareness to students, particularly young girls, about choice of carrier that they can have. She has held such seminars in schools, colleges, BSF campuses and in slum areas. Her constant endeavour to bring about a change in education of girls and women is appreciable we wish her success for future.
