Sanjeev Kumar

Mr. Sanjeev Kumar, Ex SDM in UP Govt. Started his career as civil servant had done M.Sc. in zoology from DSB Campus, Kumaon University Nainital, Uttrakhand, India. He started his research career with the tigers of Corbett by the same university. He is fellow contributor of International Science Community Association. He is recipient of International young scientist Award and Young Scientist Award by Uttrakhand State Council of Science and Technology in 2013. He is perusing his Ph.D. on “Ecological and Sociological Aspects of Human-Tiger Conflict in and Around Corbett Tiger Reserve, Ramnagar, Nainital. He rescued more than 25 tiger and Leopard in the same area. He had been published more than 27 research journal nationally & internationally. He is assisting the forest department in various issues of conflict and other issues like habitat development, conflict management with wildlife and tiger. He had been actively participated in the Gujjar community relocation from the Corbett National Park Uttrakhand. He had studied on Gujjar families inside the park and adjoining areas. He had given a lot of resolution to Forest Department for human-tiger conflict & live stock predation. Now is working with the aspects of dynamics of conflict, food and feeding behavior of tiger along with night behavior of tiger. His journey of tiger conservation and conflict managements are lingers on and on ever and forever.

Mr. Sanjeev Kumar
