

Dr. Anjani Phadnis

Dr. Anjani Phadnis, a name which has become synonymous for us to sincerity, intellect, hard working and compassionate human being. She has been working all these years for inculcating interest of students in the field of chemical, pharmaceutical and allied sciences and highlighting the dimensions of chemistry for maintaining their persistent interest. She completed her graduation in 1970 from Dehli University. Holding the top position at Jiwaji University she completed her post graduation in 1972. She worked on “Thermodynamic Study of Thin Films on Liquid Substrates” for her doctoral degree in 1978. Dr. Phadnis is engaged in research on Quantitative structure–activity relationship models. She has numerous publications in journals of national and international repute. Beginning her career as a CSIR research associate at School of Chemical Sciences, DAVV, Indore she holds teaching and research experience of more than 20 years. She is also a recipient of dedication award by Honorable Mrs. Sumitra Mahajan for her exemplary services at Maharaja Ranjit Singh College of Professional Sciences. She is a recognized Ph.D. guide at Devi Ahilya Vishwa Vidhyalaya, Indore M. P. and Pacific Academy of Higher Education Research University, Udaipur, Rajasthan. She has guided two Ph.D. students. She has presented several papers in conferences of National and International level. She is an exceptionally kind hearted lady who has always supported her subordinates and helped all the students morally as well as financially. She organized various national and international level conferences, seminars, workshops, educational tours and visits for providing research and industrial exposure to the students. She is an extremely reliable individual as she has been taking care of all her responsibilities with utmost precaution, may it be academic, administrative or laboratory. She is associated with various educational societies like ISCA, ISBT and many more. Dr. Phadnis is the fellow Founder of International Science Community Association. We salute her for being an asset for the institute and a strong pillar of support in our lives. Her fruitful contribution to the education fraternity has motivated us to name this award as “**Dr. Anjani Phadnis International Life Time Achievement Award**”.
